

4. TO CONSIDER AND APPROVE THE MEMBER ORGANISATIONS' FEES FOR THE YEAR 2026

1. Introduction

Members are required to approve the proposed membership fees for the year 2026.

The Members' approval of the annual membership fees is determined by a two-third majority of Members at a general meeting.

2. Background

In October, the Board discussed 2026 plans and agreed that there will be no increase in membership fees for 2026 membership fees, taking into consideration the transition period of the new Chief Executive.

All members will have the opportunity to discuss this matter at the Members Meeting held prior to this meeting. The related Members Meeting paper will be made available approximately two weeks ahead of the meeting.

Please note that only Members, and not Associates or Affiliates, are entitled to vote on the approval of the annual membership fees for 2026.
